SUMMARY

Joshua David is a Native American video editor, producer, and award-winning filmmaker from Long Island, New York, with over 8 years of experience creating impactful visual content. Skilled in both still and motion media, he brings expertise in storytelling, video editing, producing, and directing. Known for blending creativity with technical precision, Joshua consistently delivers compelling stories that engage audiences and elevate brand presence.

WORK EXPERIENCE

Chili Piper

New York, NY

Video Editor

Feb 2022 - Feb 2023

- Collaborated with marketing teams to conceptualize and produce custom videos, enhancing brand visibility.
- Translated complex client requirements into compelling visual narratives by analyzing project briefs, resulting in a 95% approval rate on first submission and reducing revision cycles by 20%.
- Digitally editing and creating motion graphics for education and internal videos. Media management and project prep using Premiere Pro, After Effects, and other Adobe Programs.
- Collaborated with creative teams to develop cross-platform campaigns, elevating overall content performance metrics by achieving a 50% growth in average.

Masterclass

New York, NY

Video Editor

Oct 2020 - Feb 2022

- Collaborated with Sr. editors and animators to edit and deliver profile, referral, and marketing assets for clients' websites. Editors were responsible for media management, project prep, time management, and exports and delivery.
- Managed multiple video projects simultaneously, consistently meeting deadlines within a strict 10-day turnaround, which led to a 25% improvement in overall project delivery efficiency and elevated client satisfaction scores.
- Utilized Adobe Premiere Pro to craft engaging edits with precise pacing, transitions, and storytelling tailored to audiences.
- Streamlined the audio editing workflow by developing standardized protocols for syncing and cleaning tracks, and ensuring consistent professional sound standards.

Videomancy Productions

New York, NY

Founder

Jan 2019 - Present

- Directed and produced the award-winning film *Alienated*, recipient of Best Feature at LIFFEE.
- Secured and managed production budgets, optimizing resources while maintaining high production value.
- Coordinated with festival representatives, distributors, and press outlets to promote the film and scale its reach.
- Streamlined all aspects of production from script development, casting, and rehearsals to post-production.

Fabletics

Los Angeles

Freelance Video Editor

Feb 2015 - Jan 2019

- Produced engaging video content for social media platforms (Instagram, TikTok, YouTube) optimized for fashion audiences.
- Created dynamic motion graphics, titles, and transitions tailored to fashion-forward branding.
- Managed digital assets and version control to streamline workflow across multiple campaigns.
- Led video editing for fashion campaigns, lookbooks, and social media content, ensuring high-quality visual effects, storyboarding, and communication that aligned with brand identity.
